FEEL OF REAL MARBLE

**Created using the  
most innovative  
technologies  
available in the  
ceramic sector.**

Research and superb style are just the start of what Rock's large slabs have to offer. Our surfaces, created using only the finest materials and sintered at over 1200° with all the knowhow and engineering skill of Rock, offer the guarantee of an ultra-compact material that boasts uncompromising technical performance and a peerless level of safety and practical qualities.

The natural surface suggests of "international style": a neutral, balanced appearance making it suitable for a multitude of applications.

**Tough by  
Nature.  
Styled by Design.**
