

Crafted to
Create Spaces
That Last

The background features a light beige color with several overlapping circles in a muted terracotta or peach tone. Two thin, vertical lines in the same color run parallel to each other, positioned to the right of the text.

*Every Tile,
A Testament
to Quality*

HG
CRACKER
—GOLDEN COLLECTION—

The Golden Collection embodies the spirit of timeless luxury. Inspired by the radiance of gold and the sophistication of art, these ceramic tiles transform ordinary spaces into extraordinary experiences. Each tile glows with a subtle metallic sheen that reflects class, beauty, and grandeur — redefining the meaning of premium interiors.

Every design in this collection tells a story of elegance. Crafted with precision and care, the Golden Collection adds a royal touch to walls and floors. Whether it's a modern living room or a classic suite, the golden hues bring warmth, prestige, and a rich ambience that stands unmatched.

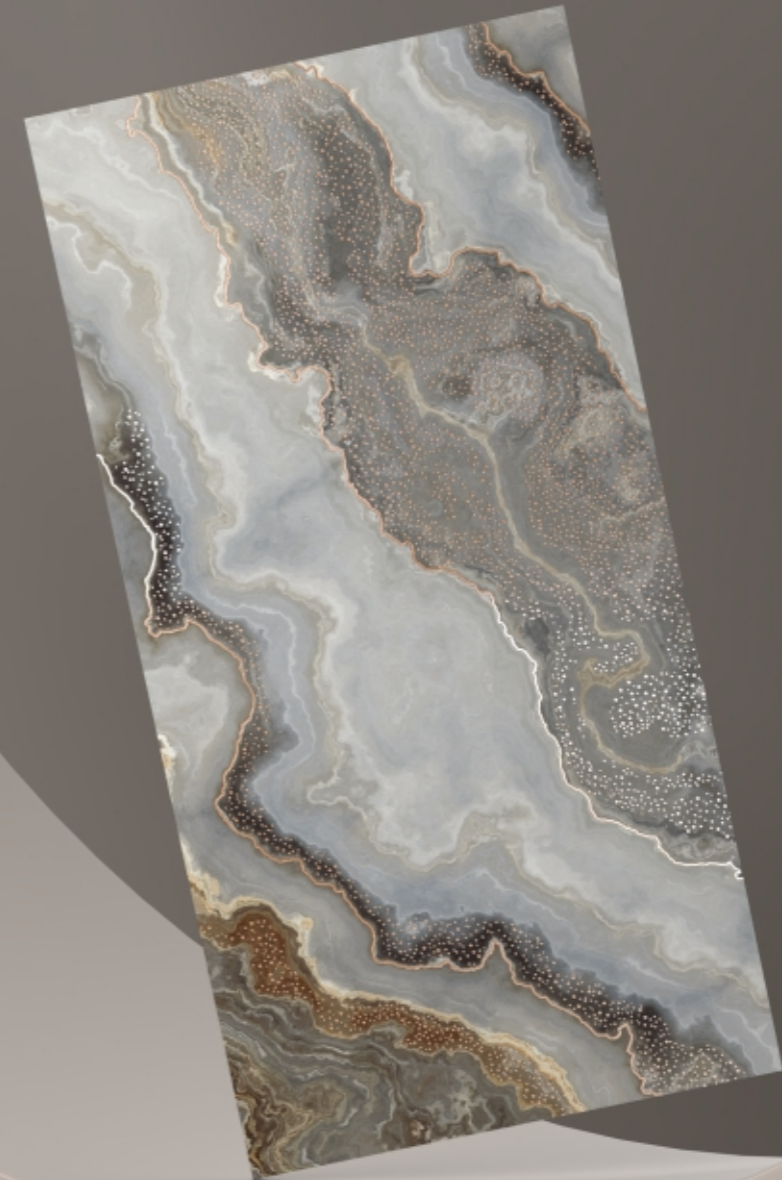

HG CRACKER

—GOLDEN COLLECTION—

Advanced digital printing technology ensures each tile in the Golden Collection carries intricate detailing and perfect consistency. The surface finish — whether glossy or matte — enhances every corner with brilliance. These tiles are not just decorative surfaces but artistic masterpieces created through innovation.

The Golden Collection is made for those who believe their spaces should reflect their individuality. Ideal for luxurious homes, hotels, lobbies, and feature walls, these tiles command attention. Each piece exudes a refined charm, turning every wall and floor into a symbol of prestige.

*Luxury That
Shines Beyond Time*

HG CRACKER

GOLDEN COLLECTION

Every Surface, A Golden Statement

Behind their dazzling beauty lies unmatched strength. Made from high-quality ceramic materials, the tiles are durable, easy to maintain, and resistant to wear. The Golden Collection not only enhances visual appeal but also offers long-lasting performance — a true blend of strength and sophistication.

Fire resistance

Deep abrasion resistance

Higher breaking strength

Single thickness

Stain resistant

Flexural strength

Scratch resistance

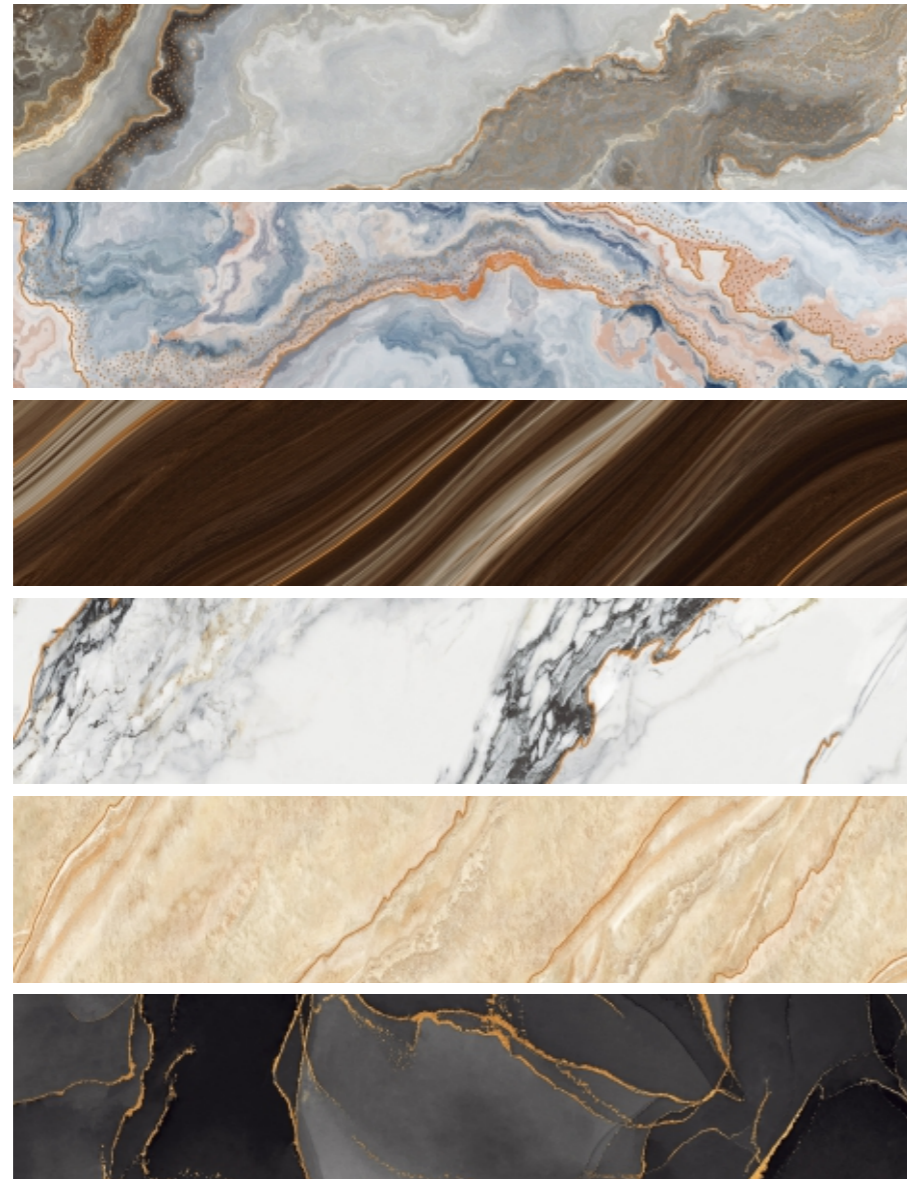

Acid resistance

Frost resistant

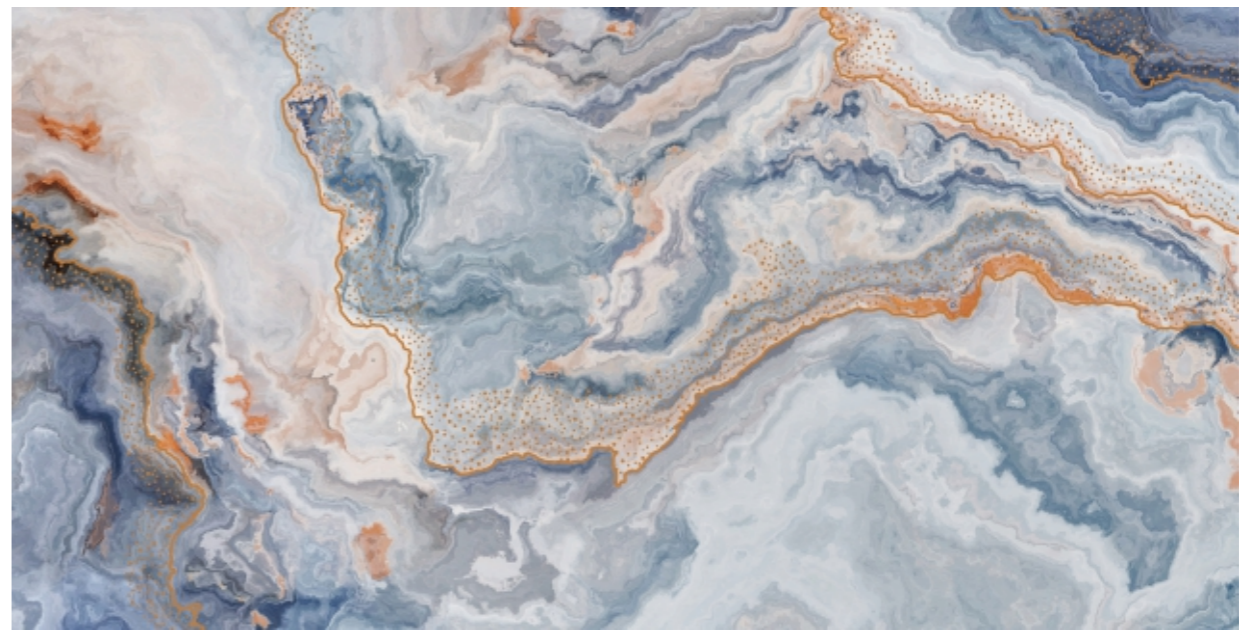

***Crafted in Gold,
Designed for Grandeur***

With patterns ranging from abstract swirls to elegant textures, the Golden Collection complements both modern minimalism and classic decor. The combination of gold tones with earthy or white shades creates endless design possibilities, allowing architects and designers to experiment with creativity and class.
