WATER CLOSET

Water Closet: Elevate Your Bathroom Experience

Experience the ultimate in comfort, hygiene, and style with our range of Water Closets. Designed to provide a luxurious bathroom experience, our Water Closets are available in three types to suit your unique needs. Some of our models look like smart toilet but they are conventional toilets which is very easy to use.

Types

- 1. Wall Hung Water Closet:** Sleek and modern, this type requires an additional flushing tank for operation.
- 2. One Piece Toilet:** A self-contained unit with an inbuilt flush tank and fittings, perfect for a seamless bathroom experience.
- 3. Tankless Wall Hung Toilet:** Revolutionary in design, this type requires no flushing tank and operates with a minimum water pressure of 2 bars.

Key Features

- **Fired at 1200°C:** Our Water Closets are fired at an extremely high temperature, ensuring that the colors will not fade over time.
- **High-Class UF Seat Cover:** Designed for comfort and durability, our UF seat covers provide a luxurious experience.
- **Heavy-Quality Fittings:** Engineered for long-term durability, our fittings ensure a leak-free experience.
- **Hygienic and Sanitary:** Designed with hygiene and sanitation in mind, our Water Closets provide a clean and comfortable experience.
- **Durable and Long-Lasting:** Built to last, our Water Closets withstand the test of time.

Care Instruction

- Use warm soapy water and a soft damp cloth to clean the surface of the product. Wipe dry with a clean cloth.
- To facilitate cleaning of the product, the toilet seat and cover maybe removed before cleaning.
- Never use any solvents, scourers, abrasives, bleach, acids, strong detergents, aggressive chemical cleaners or solvent-type cleaning solutions on the product.
- Do not forcefully open or close the toilet seat and cover. This may cause injury or damage to the product.
- Avoid the sudden introduction of hot water to a cold toilet. This may damage the product.
- Never stand on the toilet rim, seat or cover. Standing on the toilet, seat or cover may result in serious product damage and personal injury.
- Lighted cigarettes should not be placed on the seat or cover.
- Do not drop any hard objects on the toilet, seat or cover. Damage may result with cracks and leaks.
- If the toilet or seat is damaged and cracked discontinue use immediately and replace the unit. Failure to do so may result in serious injury or property damage.
- Before replacing the toilet seat measure the distance between the fixing holes on the toilet to ensure a suitable replacement can be identified before purchase.
- It is recommended to check the toilet seat fittings for security and tightness at regular intervals
